Mrs Lillian Weisberg.

Dear Mrs Weisberg
Thank you for your quick answer to my letter.
So in a seperate envelope I am en-closing the article and I think your husband will be glad to have same.
You dont need to return this magazine if it can be of any use to you & your husband.
I have known this Mr Smith for a long time and he is a wonderful person

and a good american.
should you write to
him first mention my
name and he will know.
Yes I heard your husband
on Radio but so many
called that I could
not get on. but I did
agree with every thing
he said.
I would like to know
who this Thomas E. Miller
is?
I hope some day to
be able to buy the
books I that perhaps
Human Events would
know but they had
never heard of them.
please keep me in
touch with your in-
vestigations as I want

to know.
There are many questions
to be answered.
Thanking you again.
Kindest regards
and hope I can hear
from you again.

Resp.
